*Development Department, BANGALORE.*

Through the Deputy Commissioner, Hassan District.

OFFICE OF THE DEPUTY COMMISSIONER, HASSAN DISTRICT. 1.54.e 1 JUN. 1936

Sir,

I have the honor to state that an orchard was established in Hassan by the Hassan District Board in the year 1927 in connection with the Silver Jubilee celebrations of H.H. the Maharaja of Mysore. The orchard as it now stands is four acres in extent and contains fruit plants. The few wells that were got up so far back as 1927 for supplying water to the plants failed to supply the required quantity of water for all the grown up trees

The Board therefore thought of getting a permanent supply of water to the orchard by installing a pump with engine to Montgomerry well by the side of the Bangalore Mangalore road at Hassan. The President, Municipal Council Hassan was therefore addressed in the matter to allow the Board to make use of the well for the above purpose

Accordingly an Engine and pump has been installed by the side of the well in question at a cost of Rs 2788/ with consent of the local Municipal Council. This came into working order from 1st Jany.35. An Engine cooly on Rs 10/ per month was therefore entertained

Letter No. 388 dated the 19th June 1924 from the Executive Engineer, Bangalore Division, Bangalore, to the President, District Board, Bangalore, City.

---

## District Fund Tollgates

I have the honour to bring to your notice that there are no Tollgates on the marginally noted District Fund Roads in the Bangalore District

1) Kolar Sompur Road,
2) Devanahalli Dodballapur Road,
3) Nelamangala Dodballapur Road.

I would like to suggest that Tollgates may be established at convenient points on these roads and the toll income realised be earmarked for the improvements of District Fund Roads in general and the above roads in particular.

The question may be taken up early and result kindly intimated to this office
